Hello Valued Employers:

As you may be aware, one case of the 2019 Novel Coronavirus was confirmed in the ASU community a couple of days ago.

“ASU is working closely with the Maricopa County Department of Public Health (MCDPH) and the Arizona Department of Health Services (ADHS) to monitor the situation. The individual does not live in university housing, is not severely ill and is currently in isolation to keep the illness from spreading.”

In light of this occurrence, you are welcome to take the following precautions during the Career Fair:

- Wash your hands often with soap and water for at least 20 seconds. If soap and water are not available, use an alcohol-based hand sanitizer (provided at check-in).
- Avoid touching your eyes, nose, and mouth with unwashed hands.
- Avoid close contact with people who are sick.
  - We understand if you do not feel comfortable shaking hands with students.
- Cover your cough or sneeze with a tissue, then immediately throw the tissue in the trash.
- Clean and disinfect frequently touched objects and surfaces.

Please let us know if you have any questions or concerns—your health and safety is our priority.
